ATV:

See ALL-TERRAIN VEHICLES

ABDOMEN:

Mead Johnson Critical Care Symposium for the Practising Surgeon. 3. Monitoring and investigation of intra-abdominal sepsis (Hamilton) 327

ABDOMEN, ACUTE:

Mead Johnson Critical Care Symposium for the Practising Surgeon. 4. Abdominal crisis in the intensive care unit (Gregor and Pradger) 331

ABDOMINAL INJURIES:

Wounds of the abdomen. Part 1: In war (Derby) (RA) 213

Wounds of the abdomen. Part 2: In peace (Derby) (RA) 307

ABDOMINAL WALL:

Gastroschisis: ultrasonographic diagnosis, perinatal embryology, surgical and obstetric treatment and outcomes (Mercer and others) 25

ABECASSIS

M. WONG P.Y., MASON N., CHEUNG F., MEE AV., COLE EH., LANGER B., COHEN Z., LEVY GA.: Cyclosporin A metabolites suppress T-cell proliferation by Concanavalin A and in a mixed lymphocyte reaction 145

ABRAHAM TK:

See WALIA HS Jt Auth

ABSCESS:

Prevention of intra-abdominal abscesses with fibrinolytic agents (Rosenthal and others) 98

ACCIDENTS:

Off-road recreational motor vehicle accidents: hospitalization and deaths (Allan and others) 233

ACCIDENTS, TRAFFIC:

An unusual facial injury highlighting the basics of diagnosis in maxillofacial trauma: a case report (Carlotto and Zuker) 349

ADENOCARCINOMA:

Fine-needle aspiration biopsy of an islet cell tumour simulating pancreatic carcinoma (Zalev and others) 129

ADENOMA:

Les polypes malins du colon: la polypectomie est-elle un traitement adequat? (Bernard and others) 239

ADRENAL GLAND DISEASES:

Diagnosis and management of adrenal masses: 1987 Du Pont Lecture (Penn and others) 105

AGE FACTORS:

Prognostic factors in colorectal carcinoma of young adults (Taylor and others) 150

AGED:

Elderly long-stay surgical patients (Rockwood and others) 42

Le syndrome des loges de la jambe et le scorbut (Normandin and others) 65

AKINOGLU A.,

BILGIN I.: Tuberculous enteritis and peritonitis 55

ALBRITTON W:

See NOFTAL F Jt Auth

ALGEBRA:

See MATHEMATICS

ALI-RIDHA NH:

See TAYLOR MC Jt Auth

ALL-TERRAIN VEHICLES:

Off-road recreational motor vehicle accidents: hospitalization and deaths (Allan and others) 233

ALLAN DG,

REID DC, SAROE L.: Off-road recreational motor vehicle accidents: hospitalization and deaths 233

AMELI FM,

STEIN M., PROVAN JL, ARO L.: Factors influencing results of femoropopliteal bypass operations for lower limb ischemia 227

AMERICAN MEDICO-LEGAL FOUNDATION:

New peer-review organization (Williamson) (SU) 211

AMPICILLIN:

Osteomyelitis due to *Kingella kingae* infection (Nofal and others) 21

ANASTOMOSIS, SURGICAL:

Defunctioning colostomy: an outmoded operation? (MacLean) (QS) 139

Early results with the J-pouch procedure in children (Wesson) 162

Primary resection and anastomosis of lesions obstructing the left colon (Goodall and Park) 167

Thrombin as an adjuvant to reanastomosis of the fallopian tubes reduces implantations in the rabbit (Roussele and others) 46

Total replacement of the transverse aortic arch with the Gott aneurysm shunt (Verdant and others) 52

ANATOMY:

Further remembrances of that revered anatomist, Dr. J.C. Boileau Grant (Robinson) 203

ANDERSON C:

See WALKER DR Jt Auth

ANDREA FR:

See BOURNE RB Jt Auth

ANDRYJOWICZ E:

See ROUSSELE D Jt Auth

ANESTHESIA, EPIDURAL:

Epidural morphine for postoperative analgesia (Fox) 14

ANESTHESIA, LOCAL:

Surgeon-administered local anesthesia for forefoot surgery (Giachino) 363

ANEURYSM:

Aneurysm of a common digital artery: case report and literature review (Freiberg and Fish) 254

ANEURYSM, DISSECTING:

Coagulopathy induced by aortic aneurysms (Macnelly and Graham) 27

ANKLE:

Surgeon-administered local anesthesia for forefoot surgery (Giachino) 363

ANQUIST K:

See MacFARLANE BJ Jt Auth

ANTINEOPLASTIC AGENTS:

Symposium on current perspectives in the management of soft-tissue sarcoma. 2. The role of chemotherapy in multimodality therapy (Ramwell) 390

AORTA:

Symposium on mesenteric ischemia. 3. Colonic ischemia after aortic reconstruction (Fry) 142

Total replacement of the transverse aortic arch with the Gott aneurysm shunt (Verdant and others) 52

AORTA, ABDOMINAL:

Reoperation within 2 years of aortic femoral bypass (Sladen and others) 224

AORTIC ANEURYSM:

Coagulopathy induced by aortic aneurysms (Macnelly and Graham) 27

Total replacement of the transverse aortic arch with the Gott aneurysm shunt (Verdant and others) 52

APPELLATION:

See NOMENCLATURE

APPENDICECTOMY:

Is incidental appendectomy a safe practice? (Voitk and Lowry) 446

ARL:

Symposium on current perspectives in the management of soft-tissue sarcoma. 3. Limb-sparing management in extremity soft-tissue sarcomas in the adult: the radiation oncologist's viewpoint (O'Sullivan) 397

ARNOLD WJD:

See JOHNSON HW Jt Auth

ARNOUX R:

See SMEESTERS C Jt Auth

ARNOUX R,

CORMAN J., PELOQUIN A., SMEESTERS C., ST-LOUIS G.: Adverse effect of blood transfusions on patient survival after resection of rectal cancer 121

ARO L:

See AMELI FM Jt Auth

ARTERIAL OCCLUSIVE DISEASES:

Management of acute postoperative occlusion of an internal carotid artery (Egan and Walker) 365

ARTHROSCOPY:

A review of intra-articular knee injuries in racquet sports diagnosed by arthroscopy (Marans and others) 199

ASCITES:

Peritoneovenous shunts—devices of last resort (Shepherd and Miller) 444

ASCORBIC ACID:

Le syndrome des loges de la jambe et le scorbut (Normandin and others) 65

ASSISTED CIRCULATION:

Resection of telohepatic inferior vena caval tumours: a new technique using the Biomedicus pump (David and others) 219

ATHLETIC INJURIES:

A review of intra-articular knee injuries in racquet sports diagnosed by arthroscopy (Marans and others) 199

ATRIOVENTRICULAR NODE:

Effects of various low-dose concentrations of verapamil cardioplegia on small-amplitude electrical activity during cardioplegic arrest (Landymore and others) 56

AUTOTRANSFUSION:

See BLOOD TRANSFUSION

AWARDS AND PRIZES:

Ontario's health ministry awards annual research grants (Williamson) (SU) 361

- B -

BACTERIAL INFECTIONS:

The general surgeon and sepsis in the critical care unit (Keith) (QS) 361

Mead Johnson Critical Care Symposium for the Practising Surgeon. 3. Monitoring and investigation of intra-abdominal sepsis (Hamilton) 327

Osteomyelitis due to *Kingella kingae* infection (Nofal and others) 21

SESAP V Question, Critique: Item 136 334; 345

- BAILLOT R: See VERDANT A Jt Auth
- BARIUM SULFATE: Retroperitoneal perforation of the rectum during barium enema examination (Tadros and Walters) 49
- BEKTEMIR M: See OGUZ M Jt Auth
- BELBECK L: See ROUSSELLE D Jt Auth
- BENAK A: See DAVID IB Jt Auth
- BENDAGO M: See DEITEL M Jt Auth
- BERNARD D, MORGAN S, TASSE D, WASSEF R: Les polypes malins du colon: la polypectomie est-elle un traitement adequat? 239
- BHARADWAJ B: See DUNCAN WJ Jt Auth
- BILGIN I: See AKINOGLU A Jt Auth
- BIOGRAPHIES: Grant, John Charles Baileu (Robinson) 203
- BIOMEDICUS PUMP: See ASSISTED CIRCULATION
- BIOPSY, NEEDLE: Association of breast cysts and breast cancer (Devitt) 356
Fine-needle aspiration biopsy of an islet cell tumour simulating pancreatic carcinoma (Zalev and others) 429
- BIRBRAGER D: See PERCY EC Jt Auth
- BITAR H: See BOURNE RB Jt Auth
- BLADDER: Symposium on major pelvic trauma, t. Injuries to the urethra and urinary bladder associated with fractures of the pelvis (Morehouse) 85
- BLADDER FISTULA: Oophorovesicular-colonic fistula: a rare complication of Crohn's disease (Goldberg and others) 427
- BLADDER NEOPLASMS: Urinary diversion using the Kock ileal reservoir in patients with irradiated bowel (Oravan and Davis) 243
- BLADDER, NEUROGENIC: Bladder-outlet reconstruction in neurogenic bladder due to myelomeningocele (Johnson and others) 22
- BLOOD GLUCOSE: Normoglycemia after implantation of purified islet cells in dogs (Wainock and others) 421
- BLOOD PRESSURE DETERMINATION: Mead Johnson Critical Care Symposium for the Practising Surgeon. 2. Complications of monitoring systems (Todd) 324
- BLOOD SPECIMEN COLLECTION: Simple method of intraoperative blood collection and reinfusion during aortic surgery (Laschuk and others) 337
- BLOOD TRANSFUSION: Adverse effect of blood transfusions on patient survival after resection of rectal cancer (Amouz and others) 121
Analysis of a protocol for an autologous blood transfusion program for total joint replacement surgery (MacFarlane and others) 128
Blood is thicker (and more dangerous) than water (Wright) (QS) 77
Simple method of intraoperative blood collection and reinfusion during aortic surgery (Laschuk and others) 337
- BLOOD VESSEL PROSTHESIS: Total replacement of the transverse aortic arch with the Gott aneurysm shunt (Verdant and others) 82
- BODURTHA A: See TAYLOR MC Jt Auth
- BODY FLUIDS: Expected contamination of the orthopedic surgeon's conjunctiva (Giachimo and others) 51
- BODY TEMPERATURE: Residual hypothermia in patients recovering in the intensive care unit from cardiac surgery (Marelli and others) 434
- BODY WEIGHT: Gastroplasty with distal gastric bypass: a new and more successful weight loss operation for the morbidly obese (Salmon) 111
Ileogastrostomy for morbid obesity (Cleator and Goutlay) 114
Revision of failed horizontal gastroplasty by vertical banded gastroplasty (Fonse and others) 118
- BONE AND BONES: Researchers seek improved treatment for patients requiring hip replacement (Williamson) (SU) 381
Results of bone grafting of tibial defects in uncemented total knee replacements (Cameron and others) 30
- BONE DISEASES: Eosinophilic granuloma of bone (Mackenzie and Morton) 264
- BONE PLATES: Thoracic outlet syndrome with congenital pseudarthrosis of the clavicle: treatment by brachial plexus decompression, plate fixation and bone grafting (Young and others) 131
- BORMANIS J: See SHAMJI FM Jt Auth
- BOUCHER R: See HOY F Jt Auth
- BOURNE RB, BITAR H, ANDREA PR, MARTIN LM, FINLAY JB, MARQUIS F: In-vivo comparison of four absorbable sutures: Vicryl, Dexon Plus, Maxon and PDS 43
- BOWEN V, JOHNSON J, BOYLE J, SNELLING CFT: Tetanus—a continuing problem in minor injuries (RA) 7
- BOYD ME: Cesarean section (SA) 10
- BOYLE J: See BOWEN V Jt Auth
- BRACHIAL PLEXUS: Thoracic outlet syndrome with congenital pseudarthrosis of the clavicle: treatment by brachial plexus decompression, plate fixation and bone grafting (Young and others) 131
- BRACKEN B: See PENN I Jt Auth
- BRAMWELL V: See TEMPLE WJ Jt Auth
- BRAMWELL C: Symposium on current perspectives in the management of soft-tissue sarcoma. 2. The role of chemotherapy in multimodality therapy 390
- BREAST CYSTS: See BREAST NEOPLASMS
- BREAST LUMPS: See BREAST NEOPLASMS
- BREAST NEOPLASMS: Association of breast cysts and breast cancer (Devitt) 356
Breast lumps—when is a cyst not a cyst? (Wright) (QS) 299
Multiple giant fibroadenomas in an adolescent female breast (Kuusk) 133
Multiple giant fibroadenomas (Deschenes) (C) 79
Screening program for breast cancer (Williamson) (SU) 211
- BRODY A: See HOY F Jt Auth
- BROWN RA: See MARELLI D Jt Auth
- BRUCE A: See DAVID IB Jt Auth
- BURUL CJ: See DEITEL M Jt Auth
- BUTTOCK: The piliiform syndrome (Cameron and Noffal) (QS) 210
- BYARD RW, KEON WJ, WALLEY VM: Intimal flaps in manual coronary endarterectomy (C) 79

- CAMERON HU, NOFFAL F: The piliiform syndrome (QS) 210
- CAMERON HU, TURNER DG, CAMERON GM: Results of bone grafting of tibial defects in uncemented total knee replacements 30
- CANADA: The future of health care in Canada (Williamson) (SU) 5
- CANADIAN ASSOCIATION OF CLINICAL SURGEONS: Cyclosporin A metabolites suppress T-cell proliferation by Concanavalin A and in a mixed lymphocyte reaction (Abecassis and others) 145
Profound hypothermia and circulatory arrest in excision of renal cell carcinoma invading the vena cava (Theman and others) 183
Prognostic factors in colorectal carcinoma of young adults (Taylor and others) 150
- CANADIAN ASSOCIATION OF GENERAL SURGEONS: Abstracts — Royal College Meeting 1988 278-285
Mead Johnson Critical Care Symposium for the Practising Surgeon. 1. Transport of critically ill adult patients (Girotti and Pagliarello) 319
Mead Johnson Critical Care Symposium for the Practising Surgeon. 2. Complications of monitoring systems (Todd) 324
Mead Johnson Critical Care Symposium for the Practising Surgeon. 3. Monitoring and investigation of intra-abdominal sepsis (Hamilton) 327
Mead Johnson Critical Care Symposium for the Practising Surgeon. 4. Abdominal crisis in the intensive care unit (Gregor and Prodder) 331
Mead Johnson Critical Care Symposium for the Practising Surgeon. 5. The diagnosis and management of common soft-tissue infections (Davidson and Rotstein) 333
Percutaneous endoscopic gastrostomy by the "pull" and "introducer" methods (Deitel and others) 102
Presidential Address, 1987: the future of general surgery in Canada (Hinchey) 94
Prevention of intra-abdominal abscesses with fibrinolytic agents (Rosenthal and others) 98
- CANADIAN JOURNAL OF SURGERY: CJS coeditor named 1988 Sims Travelling Professor (Williamson) (SU) 381
Reviewers 1987 9

CANADIAN SARCOMA GROUP:
Guidelines for the surgical management of soft-tissue sarcoma. Report of the Canadian Sarcoma Group (Temple and others) 410

CANADIAN SOCIETY FOR VASCULAR SURGERY:
Abstracts - Royal College Meeting 1988 285-292

Factors influencing results of femoropopliteal bypass operations for lower limb ischemia (Amell and others) 227

Presidential Address, 1987: French contribution to vascular surgery (Laurendeau) 221

Reoperation within 2 years of aortofemoral bypass (Siaden and others) 224

Symposium on mesenteric ischemia. 1. Acute intestinal ischemia (Jamieson) 157

Symposium on mesenteric ischemia. 2. Chronic mesenteric ischemia (Lye) 159

Symposium on mesenteric ischemia. 3. Colonic ischemia after aortic reconstruction (Fry) 162

CANADIAN SOCIETY OF CARDIOVASCULAR AND THORACIC SURGEONS:
Abstracts - Royal College Meeting 1988 271-277

CAPTROPIL:
Heart-drug trial (Williamson) (SU) 5

CARCINOMA:
Colonoscopy in the follow-up of patients with colorectal carcinoma (Vasilevsky and Gordon) 188

Profound hypothermia and circulatory arrest in excision of renal cell carcinoma invading the vena cava (Theman and others) 153

Prognostic factors in colorectal carcinoma of young adults (Taylor and others) 150

CARCINOMA, RENAL CELL:
Resection of retrohepatic inferior vena caval tumors: a new technique using the Blommedicus pump (David and others) 219

Retrohepatic vena caval surgery (Schmidt) (QS) 209

CARDIOPLEGIA:
See HEART ARREST, INDUCED

CARDIOPLEGIC SOLUTIONS:
Effects of various low-dose concentrations of verapamil cardioplegia on small-amplitude electrical activity during cardioplegic arrest (Landymore and others) 58

Evaluation of delivery systems for oxygenated cardioplegia (Landymore and Myers) 346

CARNEL, ALEXIS:
Presidential Address, 1987: French contribution to vascular surgery (Laurendeau) 221

CAROTID ARTERIES:
The carotid endarterectomy study (Cusimano) (QS) 3

Management of acute postoperative occlusion of an internal carotid artery (Egan and Walker) 360

CARPAL BONES:
New clinical test for fracture of the scaphoid (Powell and others) 237

CARROLL SE:
See LASCHUK B Jt Auth

CARTOTTO R, ZUKER RM:
An unusual facial injury highlighting the bases of diagnosis in maxillofacial trauma: a case report 349

CASEY MT, PEDDLE LM:
Primary pulmonary fibrous histiocytoma: report of three cases 251

CASSOL E:
See MacFARLANE BJ Jt Auth

CATHETERIZATION:
Mech: Johnson Critical Care Symposium for the Practising Surgeon. 2. Complications of monitoring systems (Todd) 324

Percutaneous gastrostomy (Detteil) (C) 305 (Rankin) (C) 305

CATTAL MS:
See WARNOCK GL Jt Auth

CEREBROVASCULAR DISORDERS:
The carotid endarterectomy study (Cusimano) (QS) 3

CESAREAN SECTION:
Cesarean section (Boyd) (SA) 10

CHALAND F:
See SMEESTERS C Jt Auth

CHEMOTHERAPY:
See DRUG THERAPY

CHENGER J:
See MacFARLANE BJ Jt Auth

CHEUNG F:
See ABECASSIS M Jt Auth

CHIU RC-J:
See MARELLI D Jt Auth

CHOLECYSTECTOMY:
Cholecystectomy for asymptomatic cholelithiasis (Shennib) (C) 4

Is incidental appendectomy a safe practice? (Voitk and Lowry) 448

CHOLELITHIASIS:
Cholecystectomy for asymptomatic cholelithiasis (Shennib) (C) 4

CHRISTOU NV:
Symposium on major pelvic trauma. 3. Infectious problems in pelvic trauma 31: 90; Comment on: See ROSS D

CHUNG SW, NAGY AG:
Preservation of the spleen using human fibrin seal 195

CLAVICLE:
Thoracic outlet syndrome with congenital pseudoarthrosis of the clavicle: treatment by brachial plexus decompression, plate fixation and bone grafting (Young and others) 131

CLEATOR IGM, GOURLAY RH:
Ileogastrostomy for morbid obesity 114

CLINICAL COMPETENCE:
New peer-review organization (Williamson) (SU) 211

CLINICAL PROTOCOLS:
Guidelines for the surgical management of soft-tissue sarcoma. Report of the Canadian Sarcoma Group (Temple and others) 410

CLINICAL TRIALS:
1987 Gailie Lecture. Quality control in surgical research: Importance to the patient (Warren) 61

COHEN Z:
See ABECASSIS M Jt Auth

COINS:
See FOREIGN BODIES

COLE EH:
See ABECASSIS M Jt Auth

COLEMAN GU:
See JOHNSON HW Jt Auth

COLITIS, ULCERATIVE:
Early results with the J-pouch procedure in children (Wesson) 162

COLON:
Symposium on mesenteric ischemia. 3. Colonic ischemia after aortic reconstruction (Fry) 162

COLONIC DISEASES:
Primary resection and anastomosis of lesions obstructing the left colon (Goodall and Park) 167

COLONIC NEOPLASMS:
Colonoscopy after resection for bowel cancer—is it already too late to answer the questions? (Wright) (QS) 140

Colonoscopy in the follow-up of patients with colorectal carcinoma (Vasilevsky and Gordon) 188

Lipomas of the colon: a clinicopathologic review (Hancock and Vajner) 178

Les polypes malins du colon: la polypectomie est-elle un traitement adéquat? (Bernard and others) 239

Prognostic factors in colorectal carcinoma of young adults (Taylor and others) 150

COLONOSCOPY:
Colonoscopy after resection for bowel cancer—is it already too late to answer the questions? (Wright) (QS) 140

Colonoscopy in the follow-up of patients with colorectal carcinoma (Vasilevsky and Gordon) 188

COLOSTOMY:
Defunctioning colostomy: an outmoded operation? (MacLean) (QS) 139

Fecal diversion in pelvic fractures (Ross) 304

COMBINED MODALITY THERAPY:
Guidelines for the surgical management of soft-tissue sarcoma. Report of the Canadian Sarcoma Group (Temple and others) 410

Symposium on current perspectives in the management of soft-tissue sarcoma. 2. The role of chemotherapy in multimodality therapy (Hamwell) 390

Symposium on current perspectives in the management of soft-tissue sarcoma. 5. Definitive surgical management for soft-tissue sarcomas (Shibata) 407

COMMENT ON:
Multiple giant fibroadenomas in an adolescent female breast (Kuusk) 31: 133; Comment on: See DESCHENES L

Percutaneous endoscopic gastrostomy by the "pull" and "introducer" methods (Detteil and others) 31: 102; Comment on: See RANKIN RN; replies 31: 305

Perioperative hemodilution (Londow) 30: 321; Comment on: See FALLIS JC

Should cholecystectomy be done en passant for asymptomatic cholelithiasis? (Saade and others) 30: 350; Comment on: See SHENNIB H

A single treadmill exercise test does not accurately quantitate claudication (Harris and Meads) 30: 446; Comment on: See KIRBY R; replies 31: 304

Symposium on major pelvic trauma. 3. Infectious problems in pelvic trauma (Christou) 31: 90; Comment on: See ROSS D

COMMON BILE DUCT CALCULI:
Pseudocalculi of the common bile duct (Lautatzis and others) 37

COMMON BILE DUCT NEOPLASMS:
Pseudocalculi of the common bile duct (Lautatzis and others) 37

COMPARATIVE STUDY:
In-vivo comparison of four absorbable sutures: Vicryl, Dexon Plus, Maxon and PDS (Bourne and others) 43

Percutaneous endoscopic gastrostomy by the "pull" and "introducer" methods (Detteil and others) 102

COMPARTMENT SYNDROME:
Le syndrome des loges de la jambe et le scorbut (Normandin and others) 65

COMPUTERS:
Computer allows patients to see the results of plastic surgery (Williamson) (SU) 5

CON A:
See CONCANAVALLIN A

CONCANAVALLIN A:
Cyclosporin A metabolites suppress T-cell proliferation by Concanavalin A and in a mixed lymphocyte reaction (Abecassis and others) 145

CONJUNCTIVAL DISEASES:
Expected contamination of the orthopedic surgeon's conjunctiva (Giachimo and others) 51

vertical banded gastropasty (Forse and
others) 118

Unusual gastric foreign body: a case report
(Kuzon Jr. and others) 413

STRESS:
Prophylactic treatment of stress ulcers:
first do no harm (MacLean) (QS) 76

STROKE:
See CEREBROVASCULAR DISORDERS

SUCRALFATE:
Prophylactic treatment of stress ulcers:
first do no harm (MacLean) (QS) 76

SURGEONS' UPDATE:
Changes in The Hospital for Sick Children's
orthopaedic department (Williamson) 211

CJS coeditor named 1988 Sims Travelling
Professor (Williamson) 381

Computer allows patients to see the results
of plastic surgery (Williamson) 5

The future of health care in Canada
(Williamson) 5

Heart-drug trial (Williamson) 5

Heart research in Ottawa (Williamson) 80

Multitorgan transplant unit opens in Vancouver
(Williamson) 382

New Director of Training and Evaluation at
Royal College (Williamson) 381

New dean of medicine at Queen's University
(Williamson) 211

New peer-review organization (Williamson) 211

Ontario's health ministry awards annual
research grants (Williamson) 381

Ontario's hospitals are increasingly

smoke-free (Williamson) 5

Princess Margaret Hospital's new radiotherapy
unit approved (Williamson) 142

Research centre in Hamilton (Williamson) 80

Researchers seek improved treatment for
patients requiring hip replacement
(Williamson) 381

Royal College statement on informed consent
(Williamson) 142

Screening program for breast cancer
(Williamson) 211

Task force formed to analyse use of health
care services in Ontario (Williamson) 142

Toronto's trauma care capacity increased
(Williamson) 80

University of Western Ontario memorial fund
(Williamson) 267

SURGERY:
Defunctioning colostomy: an outdated
operation? (MacLean) (QS) 139

The general surgeon and sepsis in the
critical care unit (Keith) (QS) 301

Presidential Address, 1987: the future of
general surgery in Canada (Hinchey) 94

History: Doctor or Mister (the correct
appellation of British surgeons) (Eibel)
452

Further remembrances of that revered
anatomist, Dr J.C. Boileau Grant
(Robinson) 203

Presidential Address, 1987: French
contribution to vascular surgery
(Laurendeau) 221

Wounds of the abdomen. Part 1: In war
(Derby) (RA) 213

Wounds of the abdomen. Part 2: In peace
(Derby) (RA) 307

SURGERY, OPERATIVE:
Elderly long-stay surgical patients (Rockwood
and others) 62

Management of general surgical problems after
cardiac transplantation (Jones and others)
259

1987 Gailie Lecture. Quality control in
surgical research: importance to the
patient (Warren) 81

SURGERY, PLASTIC:
Computer allows patients to see the results
of plastic surgery (Williamson) (SU) 5

SURGICAL STAPLES:
Staple versus suture closure of skin
incisions in a pig model (Roth and Windle)
19

SURGICAL WOUND INFECTIONS:
Is incidental appendectomy a safe practice?
(Volk and Lowry) 448

SUTURE TECHNIQUES:
Ivalon sponge wrap operation (Gordon) 143

Staple versus suture closure of skin
incisions in a pig model (Roth and Windle)
19

SUTURES:
In-vivo comparison of four absorbable
sutures: Vicryl, Dexon Plus, Maxon and PDS
(Bourne and others) 43

SWEENEY JP:
See LASCHUK B Jt Auth

- T -

T/EMS:

colorectal carcinoma of young adults 150

TEMPLE WJ, BRAMWELL V, EISENHAUER E, JENKIN RD,
LANGER F, WORTH AJ: Guidelines for the
surgical management of soft-tissue
sarcoma. Report of the Canadian Sarcoma
Group 410

TENSILE STRENGTH:
In-vivo comparison of four absorbable
sutures: Vicryl, Dexon Plus, Maxon and PDS
(Bourne and others) 43

TESTIS:
Right testicular pain: unusual presentation
of obstruction of the uteroperic
junction (Goldberg and Wittchell) 246

TETANUS:
Tetanus—a continuing problem in minor
injuries (Bowen and others) (RA) 7

TETANUS TOXOID:
Tetanus—a continuing problem in minor
injuries (Bowen and others) (RA) 7

THEMAN TE, STAUFFER RA, LENNERT JB, SAUNDERS CD:
Profound hypothermia and circulatory
arrest in excision of renal cell carcinoma
invading the vena cava 153

THORACIC OUTLET SYNDROME:
Thoracic outlet syndrome with congenital
pseudarthrosis of the clavicle: treatment
by brachial plexus decompression, plate
fixation and bone grafting (Young and
others) 131

THROMBIN:
Thrombin as an adjuvant to reanastomosis of
the fallopian tubes reduces implantations
in the rabbit (Rouselle and others) 66

THROMBOPHLEBITIS:

Heparin-induced thrombosis (white clot syndrome) secondary to prophylactic subcutaneous administration of heparin (Rankin) 33
 Relationship between deep-vein thrombosis in the calf and fatal pulmonary embolism (Giachino) 129

THROMBOSIS:

Heparin-induced thrombosis (white clot syndrome) secondary to prophylactic subcutaneous administration of heparin (Rankin) 33
 Relationship between deep-vein thrombosis in the calf and fatal pulmonary embolism (Giachino) 129
 Symposium on mesenteric ischemia. I. Acute intestinal ischemia (Jamieson) 157

TIBIA:

Clinical results with an uncemented plastic tibial component in unicompartmental knee replacement (Cameron and Jung) 256
 Results of bone grafting of tibial defects in uncemented total knee replacements (Cameron and others) 30

TISSUE ADHESIVES:
